PROFILE

Prageu Sound tech is a well-established & fast growing organization led by a competent management comprising professionally qualified and highly experience qualified sound engineers and technocrats.

It is backed by a dedicated qualified richly experienced team of technical and skilled Workforce!

JBL VRX932LAP 4 SPEAKERS

12 in. Two-Way Powered Line Array Loudspeaker System

VRX932LAP is the ideal choice when line-array performance is needed but the venue size doesn't call for the very long-throw characteristics of larger line-arrays and a fast and easy setup is vital.

JBL SRX 728 SB 2 NOS.

Dual 18 in. High-Power Subwoofer

The SRX728S is a high power subwoofer system containing two 2268H neodymium magnet, patented Differential Drive®, 18" woofers in a front-loaded, vented enclosure.

CROWN 6002 2 NOS.

Two-channel, 2100W @ 4 Ω Power Amplifier

There's no debate – when you choose Crown's XTi 2 Series, you're choosing one of the most powerful and innovative amplifiers on the market today. That's because it's Unmatched performance and value, delivering the goods night after night without breaking a sweat.

Shure PGX Hand and Laple Mic

PGX-D Digital Wireless, with state-of-the-art, 24-bit digital audio and trusted Shure microphones, delivers stunning sound and a strong, clean RF signal.

Signature 16 Mixer

Compact analogue mixing - your Signature sound

High-Performance 16-input small format analogue mixer with onboard effects. Iconic Soundcraft Ghost mic preamps with ultra-low noise performance. Renowned Soundcraft Saphyre British EQ with sweepable mid-bands per channel

British 10inch Active Top 2 NOS.

Designed for top quality, easy portability and extreme versatility, the 5 series sets a new benchmark of presentation and pragmatism. Featuring high-quality components and dense polypropylene molded enclosures, the 5 Series is at home in any installed or portable application, from commercial sound to clubs, HoW, stages, arenas, and stadiums. The amplifiers built to power the 5 series are unmatched in their class, and built to last.

JBL EON Active Top 2 NOS.

Two-Way Multipurpose Self-Powered
Sound Reinforcement

he latest technologies in cabinet materials, acoustic science, transducer design and user friendliness that delivers the extraordinary quality of a high-end studio monitor in a fully professional, highly flexible, easy to use, portable system for today's working musicians and sound providers.
